

Itineraries

Half day, full day, overnight. Times below are ours. Forestry Corporation does not publish walk hours for Bermagui. Not independently walked.

These timings are ours. Check closures and the RFS before you leave town. A gravel road after rain can end the day early.

Half day — Black Lagoon

1. Fill water and buy food in Bermagui.
2. Scenic Drive off the Bermagui–Cobargo Road. Follow the signs. The NSW listing also says Wallaga Lake Road.
3. Picnic on the bank. Tables, a barbecue when bans allow, and the toilets. Carry water. No tap is listed.
4. Leave daylight for the drive out. Do not add a walk that isn't signed.

Full day — the picnic, then town

1. Same start: Bermagui Picnic Area.
2. More time on the bank. If the tables are taken, have lunch in Bermagui.
3. Still a day visit. There is no signed walk with a distance to add on.

Overnight — a room, not the lawn

1. Camping in NSW State forests is free and first-come. You cannot book it here.
2. It is generally not allowed in picnic areas. Do not sleep on the Black Lagoon lawn. There is no camp called Bermagui Flat.
3. A booked room is in Bermagui, Cobargo, Narooma or Bega. Come back in the morning if the road is open.
4. Dog under control in the forest. Not in Gulaga National Park. Gas backup for the fire rules.
